¹ "Open" refers to playing without team structure. Lane assignments will be provided by coaching staff and all bowling rules and etiquette will be in force.

² Regardless of when someone commences bowling in the league, the first 3 weeks of their play establishes their starting average.

³ Details of each tournament type to be provided in advance: prizes will be awarded.

⁴ Depending on the number of bowlers on strength: a minimum of four (4) teams are required to establish a competitive Team schedule.
