

CTF CONNECTION

Published by the

Canadian Tenpin Federation, Inc.
Fédération Canadienne des Dix-Quilles,

Late June, 2010

From the desk of the Executive Director

You may think that at this time of year, the CTF National Office doesn't have much to do. That couldn't be farther from the truth. This is the time of year when we prepare all of the documents for the league kits, including forms, rulebooks, etc. We anticipate that league kits will be sent to local associations by the third week of July.

Believe it or not, we are still processing 2009-2010 winter league honour score award applications and memberships.

The 2010 Annual General Meeting was held in Laval, QC in April, in conjunction with the Canadian Mixed Championships. Thank you to the Greater Montreal Tenpin Bowling Association for hosting both of these events.

Membership Dues Increase

At the Annual General Meeting, the CTF Board announced a national dues increase, and set new limits on local and provincial dues. Effective August 1, 2010, the new dues structure is as follows:

| | |
|--|----------------|
| National Dues (paid to CTF) | \$20.00 |
| Provincial Dues not to exceed | 3.00 |
| Local Dues not to exceed | 7.00 |
| <u>Total maximum dues payable</u> | \$30.00 |

Please note that while maximum local/provincial dues are shown, this doesn't mean that they have to charge this amount. In fact, several local and provincial associations do not charge the

maximum amount and if they are not doing so at this time, the CTF Board sees no reason why they would do so now.

CTF has been running at a deficit for the past 6 years. The original national fees of \$12 was based on what the CTF Board at the time thought would cover award costs, membership costs and administration costs, which were based in part, on figures provided by the then ABC/WIBC. After the first year of operation, the CTF Board quickly learned that this forecast was too low.

In its 3rd and 4th years of operation, CTF discovered a disturbing trend that continues today. While membership numbers are declining, the number of awards given out has skyrocketed. This increase contributed to a significant portion of membership dues being spent on awards costs, rather than other programs.

During this time, CTF made the decision to borrow money to offset the growing deficit. CTF developed a repayment plan; however, with awards and other costs continually going up, it was not able to repay the principal to date.

The loan has to be repaid and several cost cutting measures have been and will be put in place. Some of the cost cutting measures were: (i) implementation of the once-in-a-lifetime 300 game and 800 series awards, has already taken place; (ii) the \$2,000 per province scholarship payment for the former Youth Pepsi Tournament has been suspended; (iii) using web-based meetings rather than face-to-face meetings; (iv) at the CTF National Office, all salaries have been frozen; employer pension contributions have been reduced by 40%; anticipated hardware and equipment purchases will not take place unless an emergency arises; and new, less expensive contracts

for long distance, point of sale machines, courier fees, etc. have been negotiated.

A new national fundraising program will be announced at the beginning of the bowling season. Under this optional program, the profits will be split equally among the selling parties and CTF.

There are many costs that are beyond CTF's control, such as postage and freight; printing and publishing; and of course, award costs; however, even with the cost-cutting measures taking place, the CTF Board felt that a further dues increase was warranted.

AWARDS The CTF Board has determined that there are several "duplicate" awards being presented and has approved discontinuing such duplicates. The discontinued "duplicate" awards are:

100 Pins Over Average = already receives a watch
295, 296, 297 game pins = already receives 11 in a row plaque
298, 299 game pins = already receives a plaque
300 game pin = already receives a ring, plaque, upgrade, etc.
800 series pin = already receives a ring, plaque, upgrade, etc.

The Board has also determined that the 75 Pins over Average crest for adults should be eliminated; however, for the upcoming season, it will be available for our youth bowlers.

The Seniors 50 Pins over Average award now has an average cap of 160 or less.

The CTF National Office hopes everyone has a wonderful and safe summer and looks forward to working with and for you in the 2010-2011 bowling season

BOWLING IS A FAMILY SPORT

Bowling is a sport enjoyed by all members of the family and the recent Canadian National Championships is a great example.

There were many family members taking part in the CNC. Here are the ones we noticed:

Mother and son, **Brenda** and **Marcus** and **Dotterman** of London, ON enjoyed the competition. **Marcus** made the youth team.

Multi year Team Canada member **Jennifer Park** won the silver medal in the women's division, sister **Kimberley Green** just missed making the team, finishing 7th. They are part of the **Willis**

family of Duncan and Nanaimo, BC, that includes former Team Canada member **Catharine Willis- Rowe** who has not participated for a few years but is still bowling well in Hamilton, ON.

The **Wong** family of Calgary, AB have all represented Canada internationally. They were well represented. **Felicia** earned the bronze medal for the women. **Samantha** (now **How** living in Portland, OR) bowled on the final day and mother **Liz** enjoyed bowling with and against her daughters.

Husband and wife **Jonnine** and **Brent Pinnell** of Duncan, BC made it to the 3rd and 4th day respectively and will be back to compete again, we're sure.

Multi year Team Canada members **Kerrie Ryan-Ciach** and husband **Joe Ciach** from Mississauga, ON were competing again. **Joe** made the men's team and **Kerrie** will be at future international competitions, cheering **Joe** on. Winnipeg, MB brother and sister **Joseph** and **Shauna Franchewski** competed with **Joseph** earning a spot on the youth Team Canada and **Shauna** making it to day 3 of the competition.

2010 Youth Team Canada member **Frankie Catanzariti** and brother **Massimo** competed together.

Vancouver brothers **Jamie** and **Jordan Jung** also competed in the championships.

We may have missed some other family members who competed but these are a good example of how families 'love to bowl together'.

HAMILTON NEWS

By **Jim Margueratt**

Hamilton bowlers recorded 31 perfect games this season, just two under last season's record high of 33. **Travis Cauley** and **Doug Schatz** were high at three each. **Sean Patterson**, **Art Oliver Jr.** and **Earl England** had two each. An unusual fact is three of our 300 shooters, **Mick Anderer**, **Josh Colwell** and **Bill Lishinski** rolled their 300's on their last game of the season while **Scott Hureau** notched his 300 in his second last game of the season. **Colwell's** 300 enabled

him to post the first ever 800 triple, an 809 at Star Lanes in Brantford.

After having a pair of 295 games in our record books, another pair were added this season by **Scott Grunau** and **Dave Custeau**. Of our trio of 298 games, two of them by **Brent Andrecyk** and **Mick Anderer** were stopped from 300's by 8-10 splits.

Congratulations to Hamilton's own **Art Oliver Jr.** on his Canadian Tenpin Federation gold medal win in Vancouver. Last year **George Lambert IV** of Hamilton won the gold medal in Burlington. **Lambert** recently became engaged to **Samantha Swanson** and purchased a home in Texas. **Lionel Lewis Jr.**, who injured his knee several months ago, is hoping to be back on the lanes in early 2011. After losing our oldest active tenpinner **Russ Lee** at age 95, **Hugh Dainty** at age 94 has passed away.

Hamilton Tenpin Trivia

Old- times bowling alleys in Hamilton were the Ocean House from 1875 to 1895, Brant Hotel from 1900 to 1917 and the Royal Hamilton Yacht Club from 1891 to 1915. All three were destroyed by fire.

TEAM CANADA WILL COMPETE AT 2010 WORLD YOUTH AND WORLD MEN'S CHAMPIONSHIPS.

Two world championships will be held in late July and early August.

The World Youth Championships are scheduled for Tali Bowl in Helsinki, Finland from July 23 – August 1, 2010.

Canada will be represented by **Carrie Hopkinson**, Drumbo, ON, **Valerie Calberry**, Brampton, ON, **Karyne Legault**, Sarnia, ON, **Marie-Eve Robertson**, St. Jerome, QC for the women. **Francois Lavoie**, Quebec City, QC, **Matthew Lewis**, Burlington, ON., **Brad Geerts**, Sarnia, ON. and **Frankie Catanzariti**, Montreal, QC are the men's team.

Deborah Chan and **Damien Skelling** will coach the team.

The Men's World Championships will be held at the new 52-lane Dream-Bowl

Palace on the outskirts of Munich, Germany. The new center is the largest bowling center in Europe. A record 69 countries are entered.

Jason Kovak, Windsor, ON, **Mark Buffa**, Montreal, QC, **George Lambert IV**, Hamilton, ON, **Michael Schmidt**, Winnipeg, MB and **Guillaume Nadeau**, Rivière-du-Loup, QC and **Jean-Sebastien Lessard**, Quebec City, QC are the team members.

Lucien Casagrande, Winnipeg, MB will coach the team.

The championships will begin on August 12th after the WTBA and FIQ Congress meetings and conclude August 22nd.

Hazel McLeary, Victoria, BC, CTF Public Relations Coordinator, will attend both championships and send daily reports to the Canadian media.

CANADIANS BOWL IN SENIOR EVENTS

Canadians are bowling on the PBA Senior Tour.

Bob Puttick, Calgary bowled in the PBA Sr. Northern California event at Harvest Park Bowl in Brentwood, California. **Bob** finished 60th in a field of 106 but didn't make the cut.

Bob and **John Chapman**, Brampton, ON bowled in the PBA Sr. Open at Suncoast Lanes in Las Vegas and **Bob** finished 34th winning \$1030. **John Chapman** was 40th and earned \$970. 227 bowlers were entered.

Ray Shuel, and **John** are among the 297 seniors entered in the USBC Sr. Masters at Southpoint in Las Vegas. **John** made it to the first round of the loser's bracket and earned \$950.

BOWLING NEWS FROM AROUND THE COUNTRY

By **Dan Tereck**

SASKATCHEWAN

In the Regina Tenpin Doubles tournament held in February, **Curtis Rasmussen** bowled a perfect game. The 300 helped him to a 720 series, and

propelled he and his partner, **Mike Bursic**, to a win the Men's Doubles event. Congratulations **Curtis!**

In May, **Frank Boehm Jr.** bowled up a storm at the USBC Open Championships. His All-Events total of 1818 put him in 2nd place in the Classified Division. It sounds like **Frank** is following in his Dad's footsteps.

ONTARIO

In the 41st Annual Provincial Youth Tournament held at Parkway Lanes in St. Catharines, **Taylor Maxner**, a local bowler, rolled only the 2nd 300 game in the history of this event. And he did it on the very first week of competition. Wow!

In March, **David Wiskowski**, from the Capital District Association, rolled a new Canadian record for a Men's 9-games All-Events score. He shot 672 in Singles, 777 in Doubles, and an incredible 824 (including a 300 game) in Teams, for a total of 2273. If you do the math, that's an average of over 252 !!
